PRESENT OFFENSE:

Records show that on 8/31/94, at approximately 5:07 PM, a hidden camera located in the front of the "TODAY SHOW" building at 36 West 49th Street revealed the subject parking his car and opening the trunk. He then put on a dark colored smock and hid a rifle in the sleeve of the smock. He attempted to get inside the "TODAY SHOW" building but was denied entrance by the victim when he noticed the subject's rifle. The subject left in his car.

The victim was standing in front of the building with his boss when the subject returned at about 5:23 PM. While the victim was trying to alert the Police, the subject exited his vehicle, cursed the victim and took up a military stance. The subject fatally shot the victim in the back while the victim was running.

Subsequent to the shooting, the subject walked over to the deceased who was lying on the ground, looked at him and walked away with the gun still in plain view. Police Officer Mark Lanigan apprehended the subject in his car. The victim was taken to Bellevue Hospital where he died in the operating room.

The Medical Examiner listed the cause of death as a gunshot wound to the back with perforations of spleen, kidney and colon.
